Comments:

11/7/2001 - DOGM 10/30/01 letter regarding final notice for fee payment was returned by post office as undeliverable - no forwarding order. Also written on the envelope was the words "deceased.". Phone call made to BLM and was informed that there was only about 1/10th acre of disturbance at this site. The depression is only a very shallow prospect pit. The waste pile is revegetated. Nothing significant at the site. If the pit was filled in again with the waste, there would be disturbance of the waste that is naturally revegetated from years of nothing being done at the site. Management decision to close out and retire this file. No letter was sent, as the last letter was unsuccessfully delivered and returned to DOGM.

10/30/2001 - Sent 3rd & final notice for 2001 fees. If payment not received by 11/30/2001 will be turned over to collections.
